**Surgical Drape Sets**

ELBIMED ALL AROUND THE WORLD

Driven by the expertise and experience of Elbi Pharma, Elbimed is becoming a preferred brand in Türkiye and worldwide.

*In Türkiye and all around the World...*

# Our purpose is to provide efficient, safe, practical, and sterile solutions for surgical processes.

Established in 1980, Elbi Pharma has become a trusted name within the global healthcare sector. Shaped by the expertise and experience of Elbi Pharma, Elbimed continues this strong legacy with a broader vision through its range of sterile, disposable surgical drape sets and medical product groups.

All our product lines are developed with a deep understanding of the needs of different surgical specialties, offering practical and diversified solutions tailored to specific clinical applications. What strengthens Elbimed today is its commitment to high-quality production, reliable service standards, and a precise understanding of healthcare professionals' expectations ensuring that we deliver the most suitable solutions.

We hope that our products will contribute to clinical processes and that we will always be with you as a reliable partner in the field of healthcare.
