Our purpose, values, and principles form the foundation of Dora Kozmetik's unique corporate culture. Since 2011, our goal has been to develop high-quality, functional, and accessible personal care and beauty products that help people feel better every day. With our modern technology, strong R&D infrastructure, and solution-oriented approach, we are committed to building long-term partnerships, reliability, and continuous innovation across all the markets we operate in.

OUR PRODUCTION CAPABILITIES

Dora Kozmetik manufactures a wide range of personal care and cosmetic products for global brands and business partners.

BRAND STRATEGY

Bianna is a modern **personal care brand** that aims to make daily care routines more enjoyable and accessible. At the center of its brand strategy are **clear product functions**, an easy-to-understand communication style, and a **simple, contemporary appearance** that can be easily positioned in any market. With its **hair, skin, and body care products**, Bianna offers a product range that adapts to different lifestyles, provides **practical use**, and appeals to a **wide audience**. By adopting a **clean visual language** in its packaging designs, the brand creates a **modern and trustworthy brand identity** on the shelves. Product names and descriptions avoid complex technical terms, allowing consumers to easily **understand at first glance**.

BIANNA

HYDRATING SHAMPOO
ARGAN SHAMPOO
 MOISTURE BALANCE
 DAILY CARE

Developed to gently cleanse while restoring moisture balance with argan oil. Helps soften the hair, improve manageability and maintain a healthy, smooth feel without weighing it down.
