SUSTAINABLE SKINCARE ROUTINE

HEALTHY AND EFFECTIVE CARE WITH DERMOCOSMETIC SCIENCE

ANYONG Dermocosmetic Products

Transforming Skincare with the Power of Dermocosmetic Science

Anyong offers an innovative approach to skincare with scientifically formulated dermocosmetic solutions. Our microbiome-friendly formulations strengthen the skin's natural barrier while maintaining its delicate balance. Enriched with highly active ingredients, our products deliver visible.

WHY SHOULD YOU CHOOSE ANYONG?

SUSTAINABILITY

All our packaging aligns with our environmental commitment, being recyclable or reusable.

MICROBIOME-FRIENDLY PRODUCTS

We are mindful of the sensitive balance of the skin ecosystem and formulate products that support it.

PIONEERING PRE AND POSTBIOTICS

Merging Asian beauty secrets with pre and postbiotics, we create formulas that are effective yet gentle.

CRUELTY-FREE CONCEPT

We are committed to ethical and cruelty-free skin care. Our products are PETA certified and never tested on animals.

OUR COMMITMENT TO CLEAN CONTENT

We prioritize clean beauty. We ensure that our products do not contain harmful chemicals and toxins.

Take care of your microbiome with ANY⁹NG

A healthy skin microbiome is rich in bacteria and microorganisms. This richness supports a healthy skin structure by creating a natural barrier between the skin and the outside world. Provides effective defense against UV rays and environmental pollution. It actively fights against common skin problems such as signs of aging skin blemishes and acne.

Anyong is Enriched with Carefully Selected Content!

☞ Active Ingredients and Herbal Extracts offer combined, target-oriented care in optimum proportions for your skin health.

Sensitive Ingredients

☞ It approaches your skin gently and effectively.

Prebiotics and Postbiotics

☞ It contributes to a healthy skin structure by supporting skin flora.

Free of Chemical Additives

☞ It does not contain harmful substances and preserves the natural balance of the skin.

Formulas that Maintain pH Balance

☞ It supports the ideal pH balance for your skin health.

EVEN SKIN TONE KIT

3 STEPS TO REVEAL YOUR NATURAL RADIANCE

The 30-day Even Skin Tone Kit by Anyong is a clinically optimized three-step regimen designed to address uneven skin tone and discoloration. This targeted kit works to reduce blemishes, strengthen the skin's natural barrier, and promote a visibly brighter, healthier complexion. Powered by active ingredients, it delivers noticeable improvements to skin clarity and radiance.

MICROBIOME
FRIENDLY

REGENERATING

BRIGHTENING

MOISTURIZING

RADIANCE REVEAL ESSENCE TONER

FIRST STEP TO FIGHT BLEMISHES: REVIVE YOUR GLOW

This toner, formulated with 60% Rice Water, is designed to enhance skin's natural renewal process and improve luminosity. While Glycolic Acid revitalizes your skin with a gentle peeling effect, the formula enriched with Licorice Root, Blueberry, Mulberry, and Pomegranate Extracts helps prevent the formation of blemishes. Bringing your skin, a brighter, livelier, and fresher appearance, reveals the natural radiance of your skin.

Active Ingredients

Rice Water (60%)
Glycolic Acid (7%)
Mulberry Root Extract (3%)
Pomegranate Extract (3%)
Blueberry Extract (1%)

1

2

ALPHA-BRIGHT SERUM

SECOND STEP TO FIGHT BLEMISHES: THE SECRET OF EVEN SKIN

Formulated with 30% Rice Water, this serum is designed to address uneven skin tone while enhancing skin's natural luminosity. Powerful actives like Tranexamic Acid, Alpha Arbutin, and Tranexamoyl Dipeptide-23 work to even out skin tone. Enriched with Licorice Root, Fermented Rice Extract, and Blueberry, this formula supports your skin in achieving a bright and radiance appearance.

Active Ingredients

Rice Water (30%)

Rice Ferment Filtrate Extract (3,6%)

Tranexamic Acid (3%)

Alpha-Arbutin (1%)

Tranexamoyl Dipeptide-23 (0,03%)

ADVANCED BLEMISH DEFENSE CREAM

THIRD STEP TO FIGHT BLEMISHES: ILLUMINATE THE SKIN

This advanced formula, featuring 60% Rice Water, targets skin imperfections while delivering deep hydration and antioxidant protection against premature aging. Alpha-Arbutin, Tranexamic Acid, and Diacetyl Boldine, offers an effective defense against the appearance of spots. Elevated with the potent blend of Licorice Root Extract, Aloe Vera Juice, and Pomegranate Extracts, it enhances skin luminosity and supports a brighter, more radiant complexion, helping to restore skin's natural beauty.

Active Ingredients

Rice Water (60%)
Diacetyl Boldine (3%)
Licorice Root Extract (3%)
Alpha-Arbutin (2%)
Grape Seed Oil (1,5%)

ANYONG

ANTI-ACNE KIT

3 STEPS TO ACHIEVE SMOOTH AND CLEAR SKIN

Experience a targeted solution for acne-prone skin with Anyong's Anti-Acne Kit. This carefully designed 3-step regimen addresses acne-related concerns by purifying, soothing, and rejuvenating the skin. Formulated with clinically proven actives, it promotes a smoother, clearer complexion while being gentle on sensitive skin. Embrace a science-backed approach to daily skincare that restores balance and radiance to skin.

MICROBIOME
FRIENDLY

SOOTHING

PORE REFINING

MOISTURIZING

SUPER PORE REFINING TONER

FIRST STEP TO SMOOTH THE SKIN: FEWER PORES, CLEARER SKIN

This advanced formula combines AHA, BHA, and PHA to gently exfoliate dead skin cells, minimize the appearance of pores, and enhance skin texture. Fermented Mugwort delivers powerful antioxidant protection against environmental stressors, while Centella Asiatica, known for its soothing properties, supports skin recovery and barrier repair. Enriched with prebiotics to balance the skin's microbiome, it promotes a radiant and nourished complexion, leaving skin smoother and more refined.

Active Ingredients

AHA (5%) + BHA (1%) + PHA (1%)
Mugwort (10%)
Centella Asiatica Extract (10%)
Willow Bark Herbasol Extract (3%)

1

ACNE CLEAR SERUM

SECOND STEP TO SMOOTH THE SKIN: GENTLE APPROACH TO CLEAR SKIN

Formulated with Centella Extract, Azelaic Acid, and Willow Bark Extract, this serum provides a gentle yet effective solution for acne-prone skin. Enriched with Centelloids (Madecassic Acid, Asiaticoside, and Asiatic Acid) and Pre+Postbiotics, supports the skin's microbiota and rejuvenates the skin. Represents a gentler, softer approach to daily skincare routines, resulting in refreshed, smooth, and naturally radiant skin.

Active Ingredients

Centella Asiatica Extract (10%)

Azelaic Acid (5%)

Willow Bark Herbasol Extract (3%)

Centelloids (1%)

CLARIFY MOUISTURIZING OIL-FREE CREAM

THIRD STEP TO SMOOTH THE SKIN: HYDRATE AND PURIFY

The oil-free formula is specially designed to meet the moisture needs of acne-prone skin. Infused with Aloe Vera, Hyaluronic Acid and Ectoin for deep hydration, Centella Extract for skin-calming, and LHA for gentle purifying, this cream also boasts the antioxidant properties of Ginkgo Biloba and the refining touch of Willow Bark. The comprehensive blend of ingredients ensures a soft, and clarified skin appearance.

Active Ingredients

Centella Asiatica Extract (10%)

Hyaluronic Acid (2%)

Ectoin (1%)

Ginkgo Biloba (0,5%)

LHA (0,5%)

3

BARRIER REPAIR KIT

3 STEPS TO STRENGTHEN NIGHT-TIME DEFENSE

Strengthen the skin's natural barrier overnight with Anyong's Barrier Repair Kit. This scientifically formulated 3-step system is designed to shield the skin from daily environmental stressors, promoting balance, hydration, and a rejuvenated feel. Infused with Beta-Glucan for calming, multiple Hyaluronic Acid derivatives for intense moisture, and revitalizing Ginseng Extract, this kit supports healthy, restored skin by morning.

ANTI AGING

BARRIER BOOST TONER

FIRST STEP FOR THE NIGHT: YOUR NIGHTLY DEFENSE

Begin night-time skincare ritual with the Barrier Boost Toner. This meticulously prepared toner offers protection against the damage caused by daily stress. Enriched with Ginseng Extract and Fermented Green Tea, it gently refreshes and shields the skin. Beta-Glucan offers calming effects, while multiple Hyaluronic Acid variants deliver deep hydration, supporting a strengthened and balanced skin barrier overnight.

Active Ingredients

Ginseng Herbasol Extract (10%)

Fermented Green Tea (10%)

7D Hyaluronic Acid (2%)

Beta-Glucan (5%)

BARRIER REFORM SERUM

SECOND STEP FOR THE NIGHT: UNVEIL YOUR NIGHT-TIME RADIANCE

The Barrier Reform Serum combines Ginseng Extract, Hyaluronic Acid, and Beta-Glucan to provide revitalization and deep moisturization. This serum supports skin repair while addressing the signs of aging, promoting a balanced, flexible, and radiant complexion. It helps strengthen the skin barrier and restore skin's natural vitality, ensuring a rejuvenated appearance.

Active Ingredients

Ginseng Herbasol Extract (10%)

Hyaluronic Acid (2%)

Epidermal Growth Factor (2%)

Copper Tripeptide-1 (0,01%)

②

BARRIER RENEW NIGHT CREAM

THIRD STEP FOR THE NIGHT: WAKE UP TO BEAUTIFUL SKIN

The Barrier Renew Night Cream supports the skin's natural renewal process overnight. Enriched with Bakuchiol, postbiotics, peptides, and herbal oils, it deeply moisturizes and helps repair the skin barrier. This cream provides intensive hydration and promotes skin regeneration, ensuring a radiant glow by morning. It can also be used during the day for immediate hydration and a refreshed, luminous appearance.

Active Ingredients

Fermented Green Tea (10%)
Bifida Ferment Lysate (4,75%)
Calendula Oily Extract (1%)
Macadamia Oil (0,9%)
Bakuchiol (0,5%)

THE SECRET TO EVEN-TONED, MORE RADIANT SKIN

This advanced cream is designed to soothe, hydrate, and protect while promoting an even skin tone. Enriched with Centella Asiatica Extract, this cream helps reduce redness and strengthen the skin barrier. Available in two tone-adapting options, it calms the skin without leaving a greasy residue. Offering protection against harmful UV rays, it ensures the skin remains balanced, nourished, and perfectly prepared for the day ahead.

Active Ingredients

Centella Extract (5%)

Bifida Ferment Lysate (3%)

Centelloids (1%)

Niacinamide (1%)

RADIANCE AND PROTECTION COMBINED GOODBYE TO BLEMISHES

Protect skin from harmful UV rays and environmental stressors with this lightweight, non-comedogenic formula, specially crafted for blemish-prone skin. It offers broad-spectrum defense against blue light, UVA, and UVB rays while minimizing shine and blemishes. Enriched with Rice Extract and Licorice Root Extract, it helps nourish and soothe the skin, promoting an even complexion. Alpha-Arbutin works to brighten and reduce the appearance of dark spots, while Hyaluronic Acid and Ectoin provide essential hydration and support skin barrier.

Active Ingredients

ANTI - AGING

BRIGHTEN, RENEW, PROTECT

Targeting dark circles, fine lines and moisture loss around the eyes, this advanced formula evens out the under-eye tone with 3% Tranexamic Acid, while providing multi-layered moisture to the skin thanks to the Hyaluronic Acid complex with 8 different molecule sizes. Plant Growth Factors support skin renewal; Argireline helps reduce the appearance of expression lines. Enriched with prebiotic and postbiotic ingredients, the formula strengthens the skin barrier by protecting the natural microbiota of the eye area. Offers ideal care for a visibly brighter and smoother eye area.

CAPSULE

This high-performance cream combines three potent forms of Vitamin A—0.15% Retinol, 0.15% Retinal, to target visible signs of aging with maximum efficacy. The advanced formula helps smooth fine lines, refine skin texture, and promote a firmer, more even-toned complexion. Each Vitamin A derivative works in synergy to support skin renewal, while delivering long-lasting hydration to maintain comfort. With consistent use, the skin appears more radiant, youthful, and revitalized.
