# ABOUT US

The **Pirantech** brand was born in 2022 under the well-established **Piranlar Group of Companies**, which was founded in 1980. With nearly half a century of experience and an innovative vision, Piranlar is one of Turkey's leading organizations. The group companies have successfully become a trusted brand in the local market by bringing together their expertise in different sectors.

The **Pirantech** brand set out with the vision of developing user-oriented, innovative, and aesthetic solutions in the field of home technologies. Our product range includes steam cleaners, cordless and high-performance vacuum cleaners, kitchen appliances, personal care devices, and many other modern home technologies that simplify daily life. Our wide range of products is meticulously designed to appeal to different lifestyles and needs.

As **Pirantech**, we continuously improve our quality standards, prioritize customer satisfaction, and produce environmentally friendly solutions with sustainable technologies. With the strong corporate legacy and innovative perspective of the **Piranlar Group of Companies**, we continue our journey with the goal of becoming a reliable brand in the global market as well as in Turkey.

# CONTENTS

## **STEAM CLEANERS** **1-4**

*Chemical-free, powerful cleaning experience...*

*A spotless vehicle with the power of pressure...*

## **KITCHEN APPLIANCES** **13-16**

*Powerful helpers in the kitchen...*

## **HAIR CARE & STYLING** **17-21**

*Professional hair care every day...*

## **SKIN & BODY CARE** **22-23**

*For smooth and healthy skin...*

## **ORAL & DENTAL CARE** **24-27**

*Whiter, healthier smiles...*

A black steam cleaner nozzle is shown from a low angle, emitting a thick plume of white steam that rises and spreads across the frame. The nozzle is positioned over a blue microfiber cloth that is laid flat on a dark, textured surface. The steam cleaner's handle is visible, featuring a trigger button. The overall scene is dimly lit, with the steam providing a soft, ethereal glow.

-  **410 ml** Dirty Water Tank

A close-up, low-angle shot of a dark-colored car, possibly a truck or heavy-duty vehicle, being washed. A high-pressure water spray is directed at the front of the car, creating a misty, white spray that partially obscures the car's headlight and grille. The car's surface is covered in water droplets, and the overall scene is dimly lit, emphasizing the power of the water spray.

# CAR WASHERS
