*Thanks to special water connection, it is very easy to assemble the mixer in narrow spaces.*

**Swivel Connection**

*Thanks to the hinged hand shower, it provides ease of use. You can easily reach all the points of your sink. You can use flex hose for many years without breaking.*

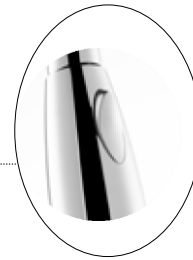

**Angle of Handle**

*Thanks to special design of body machining the handle opens almost vertically to avoid hits to the surface behind the kitchen worktable.*

**Soft Flow Function**

*As standard the water comes in the soft form mixed with air thanks to water saving aerator*
