BLEMISH + PORE PERFECT SERUM

30 ml - For all skin types

With its formula containing Niacinamide, Zinc PCA, and Azelaic Acid, it helps improve overall skin appearance. It supports a more even skin tone, reduces the appearance of blemishes and redness, and helps maintain sebum balance. Niacinamide strengthens the skin barrier and helps minimize the appearance of pores, while Zinc PCA supports the regulation of excess oil production. Azelaic Acid helps reduce the appearance of uneven skin tone and contributes to a brighter complexion. It is suitable for combination, oily, and blemish-prone skin types. With regular use, it helps promote smoother, more balanced, and more radiant-looking skin.

HERO INGREDIENTS

Niacinamide, Zinc PCA, Azelaic Acid

TARGETS

It is designed to target uneven skin tone, the appearance of dark spots, sun-induced pigmentation, post-acne marks, and dull complexion. With regular use, it helps support a brighter, more even-toned, and radiant-looking skin.

HOW TO USE

Apply a few drops to cleansed and dry skin, in the morning and/or evening. Gently massage the serum onto the face and neck, focusing on areas with pigmentation or uneven tone. Allow it to fully absorb into the skin. Follow with a moisturizer if needed. During daytime use, always finish with a sunscreen.

TIME OF USE
