SOLMAZER olarak

hem şirketimizin hem de içinde bulunduğumuz toplumun daha sürdürülebilir bir geleceğe ulaşması için gerekli uygulamaları geliştirmeye kararlıyız. Dünyamızın eşsiz doğal kaynaklarını korumak ve gelecek nesillerin daha güvenli bir dünyada yaşayabilmesini sağlamak adına sorumluluğumuzun bilincindeyiz.

2023 yılı itibarıyla fabrikamızın enerji ihtiyacını güneş enerjisinden karşılamaya başladık. Bunun yanında, enerji verimliliğini en üst düzeye çıkarmayı, enerji tasarrufu sağlayan üretim teknolojileri kullanmayı ve tüm süreçlerimizde yarattığımız faydayı artırmayı hedefliyoruz. Böylece karbon ayak izimizi azaltarak daha sürdürülebilir bir üretim yaklaşımı benimsiyoruz.

As SOLMAZER

we are committed to taking the necessary steps to help both our company and the society we are part of move toward a more sustainable future. We are fully aware of our responsibility to protect the unique natural resources of our world and to ensure that future generations can live in a safer and more livable environment.

As of 2023, we have begun meeting the energy needs of our factory through solar power. In addition, we aim to maximize energy efficiency, utilize advanced production technologies that enable energy savings, and enhance the value we create throughout all our processes. In doing so, we continue to reduce our carbon footprint and adopt a more sustainable production approach.

A collection of children's products is displayed on a wooden surface. The items include several water bottles with different designs: one with a unicorn and stars, one with a green dinosaur and the name 'DYLAN', and one with a racing car. There are also lunchboxes, one purple with a unicorn and one blue with a racing car. Small figurines of a unicorn, a green dinosaur, and a racing car are also present. The background features a large rainbow and stars, suggesting a magical or playful theme.
