

Sirecco

Who are we?

Sirecco is a brand born out of love for kilims to combine creativity with authenticity.

It is an enterprise specializing in the import and retail sale of handmade carpets and accessories such as handbags made from vintage Turkish kilim rugs, with operations in America and Europe. With over forty years of experience in the business, Sirecco globalize their products by blending authentic Turkish motifs with the contemporary fashion trends. Sirecco will bring you the products you need in your life to step out of the ordinary.

Our Mission

Our company has set itself, as its main goal, to have a 100% eco-sustainable production made from vegan and mainly recycled materials. Sirecco aims to create and innovate through original products that combine fashion with traditional Turkish design, while prioritizing the protection of the environment through the use of high-quality recycled materials.

Our Products

Sirecco is in charge of its own manufacturing process and therefore is here to bring you quick and affordable products with a large scale of colors and design. It is also possible to print all types of designs onto our products, so if you have a unique design in mind, you can let us know and we will make it happen for you. You can also add a personalized slogan; Sirecco is always here to find quick solutions and bring you your dream product.
