# AboutUs

## AboutUs

BATA FOOD, subsidiary of BARDAKCIGROUP, was established in 2009 in Istanbul as an exporter, importer and supplier of food ingredients such as dried fruits, nuts, herbs, seeds, grains, pulses, cocoa, coconut derivatives, super foods, puree & juice concentrates and other food ingredients coming from organic and conventional agriculture.

We currently continue our activities with our presence in Turkey (BARDAKCI TARIM), The Netherlands (BATA FOOD B.V.), United States (BATA FOOD LLC) and Bahrain (BATA FOOD GCC).

We process dried fruits and nuts at our BRC certified partner facility in Izmir, Turkey and also directly source and trade over 50 products from 40 origins for the international food industry.

Honesty, integrity and commitment are values we hold as key principles. Our long term relationships with our trading partners have allowed us to expand from a small one-room company to an organization with multiple offices around the world.

## OurDifference
